Outcome 6	61%	62%	56%

Mathematics	2018-2019	2019-2020	2020-2021
Outcome 5+	96%	95%	83%
Outcome 6	87%	78%	45%

There has been a decrease in learners achieving Outcome 6 due to lockdown and learners not being present in school. We will be targeting Outcome 6 this coming year; cohorts of learners have been identified and focus groups set up. Every teacher from Nursery up to year 2 have identified areas for development and have compiled an action plan. This action plan will be incorporated into Performance Management targets set for the forthcoming year. There will be half termly monitoring to check progress.
